Satisfaction in online  
workshops

# What we do

Training teachers for action in their classrooms

# Moving forward

- We develop **learning experiences focused on practical, collaborative work** among peers.
- Our work method is based on **concrete and situated practices** in the participant's real context.
- Our trajectory is sustained by the work we've done with **prestigious entities and schools in Chile and Latin America.**
- Recognized by **Hundred's Teachers for a Changing World Spotlight.**
